114. The expenses incurred by MW, as set forth herein, are reasonable and necessary charges for items including, but not limited to, photocopying, long distance telephone calls, messenger services, computer research, travel expenses, overnight mail and court fees. Photocopy charges are assessed at ten cents (\$.10) per page, which MW believes to be competitive for professional firms in this geographic area. Some larger copy and mailing projects may have been performed at an outside copy center at a lower per page rate. In all cases, MW has passed through the costs of the outsourced copy or mailing projects to the estate without markup. MW incurred messenger service charges when such delivery was more economical or when prompt delivery was necessary in a given circumstance.

115. Under the "lodestar" approach, the Court should consider the number of hours of service reasonably devoted to the case multiplied by the attorney's reasonable rates. Courts frequently consider the specific "lodestar" factors enumerated in Johnson v. Georgia Highway Express, Inc., 488

F.2d 714 (5th Cir. 1974). These lodestar factors were adopted by the Fourth Circuit in Barber v. Kimbrells, Inc., 577 F.2d 216, 226 (4th Cir.), cert. denied, 439 U.S. 934 (1978), and in Anderson v. Morris, 658 F.2d 246, 249 (4th Cir. 1981), where the Fourth Circuit held that the district court should employ the lodestar approach, and then adjust the fee on the basis of the remaining Johnson factors in the case. The following are the Johnson factors:

- (a) the time and labor required;
- (b) the novelty and difficulty of the questions;
- (c) the skill requisite to perform the legal service properly;
- (d) the preclusion of other employment by the attorney due to acceptance of the case;
- (e) the customary fee;
- (f) whether the fee is fixed or contingent;
- (g) time limitations imposed by the client or the circumstances;
- (h) the amount involved and the results obtained;
- (i) the experience, reputation and ability of the attorneys;
- (j) the "undesirability" of the case;
- (k) the nature and length of the professional relationship with the client; and
- (l) awards in similar cases.

Johnson, 488 F.2d at 717-719; Barber, 577 F.2d at 226, n.28; Anderson, 658 F.2d at 248, n.2.

116. MW believes that the services rendered to the Debtors and the out-of-pocket expenses incurred therewith were both necessary and reasonable in view of the Debtors' obligations in these cases, and the size and complexity of these cases.

117. Moreover, MW has worked closely with the Debtors' other professionals to be very efficient and avoid the duplication of services in these chapter 11 cases.

118. MW is the largest law firm in the Commonwealth of Virginia and among the largest law firms in the country, and has substantial expertise in bankruptcy, business law, commercial litigation and other substantive areas, which has allowed MW to effectively and efficiently address issues arising in a national bankruptcy case. Further, the rates charged by MW are significantly less than rates charged by other law firms in comparable national chapter 11 cases and MW's rates are consistent with rates charged to other clients in non bankruptcy matters.² MW has efficiently assisted the Debtors by employing a streamlined case management structure that generally consists of a core team

² Dion W. Hayes and Douglas M. Foley are both board certified by the American Board of Certification as specialists in the field of Business Bankruptcy Law. See 11 U.S.C. § 330(a)(3)(E).

with various other attorneys and paraprofessionals assigned to other discrete tasks to avoid the performance of duplicative or unnecessary work. MW believes the fees requested herein satisfy the Johnson factors as set forth above.

SUMMARY OF EXHIBITS

119. A proposed order approving the Application is attached hereto as Exhibit A.

120. Attached hereto as Exhibit B is a list of all attorneys and paraprofessionals who have worked on these cases, by name, year of admission (where applicable), hourly rate, hours expended on these cases, and total fees incurred.

121. Pursuant to the Interim Compensation Order, MW has received approximately eighty-five percent (85%) of its monthly fees and approximately one hundred percent (100%) of its monthly disbursements for services rendered in November 10-30, 2004, December 2004 and January 2005. In total, MW has received \$770,272.76 in fees and \$37,347.02 in disbursements. See Exhibit C attached hereto for a statement of those payments. Pursuant to the Interim Compensation Order, approximately fifteen percent (15%) of MW's total fees, totaling \$135,920.49, have been withheld by

the Debtors pending approval of this Application. Moreover, MW is owed \$8.50 in unpaid expenses for the Application Period.

122. A summary of all actual and necessary expense disbursements is attached hereto as Exhibit D.

123. A chronological itemization of time categorized by task performed is attached hereto as Exhibit E. MW has made every effort to place all time entries in the proper service category; however, it should be noted that in some circumstances an entry could have been properly placed in more than one of the service categories. In such circumstances, MW has used its best efforts to place the time entry in the service category that represents the primary purpose of the services rendered. Time entries do not appear in more than one service category.

NOTICE

124. Pursuant to the Interim Compensation Order, MW has served copies of the Application on the Notice Parties (as defined therein). In addition, MW has served notice of the hearing on the Application on the parties required by the Case Management Order. MW submits that no other or further notice need be given.

WAIVER OF MEMORANDUM OF LAW

125. Pursuant to Local Bankruptcy Rule 9013-1(G), and because there are no novel issues of law presented in this Application, the Debtors request that this Court waive the requirement that all motions be accompanied by a written memorandum of law.

NO PRIOR REQUEST

126. No prior request for the relief sought herein has been made to this Court in these bankruptcy cases. This is MW's first interim application for compensation and reimbursement of expenses.

WHEREFORE, MW respectfully requests that this Court enter an order, substantially in the form attached hereto as Exhibit A, (i) approving the compensation and reimbursement of expenses requested herein on an interim basis, (ii) authorizing and directing the Debtors to pay such amounts, and (iii) granting MW such other and further relief as is just and proper.
